

State of Michigan Approved End-User Software

As of 10/17/2023

Below is a listing of software that has been approved by the State of Michigan (SOM) End User Standards Committee (EUSC) to be utilized without the need of an SXR or additional EUSC approval. Items on this list requiring the purchase of a license can be found in SIGMA Shop. Once the purchasing process is complete, licensed software can be found in the assigned users Software Center. Software not requiring licensing and contained on this list can also be found in Software Center.

If the software you are looking for is not listed below, contact your Agency Services Client Specialist/Delegate to complete a Standard Exception Request (SXR) to be submitted for approval by the EUSC.

Approved End-User Software

Title	Description	User
